2) Connect your computer to a flat surface, this will allow the slide to hit the table . . Jan 24, 2006 Ipod Shuffle Reset Utility Windows 7 64 Bit Download this for windows . Aug 25, 2005 This happened to me too. I had to restate the disk and use the special restore option. It worked for me. . Jul 23, 2005 I couldn't reset it because it wouldn't recognize the USB. I called Apple Support and they found an issue with the USB port because of my video card. After replacing my video card (they could not reset the unit) I was able to reset it. I would suggest downloading the Resetter app from the internet and running it to reset the iPod. Ipod Shuffle Reset Utility Windows 7 64 Bit . Jul 18, 2005 Hey all, Ipod Shuffle Reset Utility Windows 7 64 Bit 30 . Jun 2, 2005 Use this app and follow the instructions on how to reset it (which is the same as the short cuts you get after an iTunes import) (this will reset the "serial number" on the drive so you can keep using the drive) . Nov 18, 2004 After you have done the above steps, open ipodmanager and highlight the shuffel and click the "reset drive" option. (after that I dont think you will need the ipod utility anymore). Oct 3, 2004 The only thing I have found is that you can use the little file icon and delete the driver entries and the password. Or you can remove the shuffle and power on the drive and let it reformat, the factory reset will wipe the drive. . Nov 11, 2008 Go to "Start and then Accessories." This is the Windows Explorer window. How to Reset Ipod Shuffle to Factory Settings in Windows 7. Jun 5, 2011 Go to start and then type in: netsh interface ipv4 install If you do this, you may need to run it every so often. iPod Shuffle [Transferring music from an iPhone to a Mac] Jul 21, 2011 I keep getting an error when trying to transfer the songs from my iPhone to my ipod classic, and I'm hoping someone has a solution. It happens at step number 5 here. I've already tried copying the songs, but that didn't work. I have iTunes installed and working on my computer, but I don't see how that is going to help me if iTunes doesn't actually recognize the ipod classic. The error shows up as follows: "Signal strength too low. Is the Home Ipod Shuffle Charger Software? iPod Shuffle [Transferring music from an iPhone to a Mac] Jun 14, 2011 Hi, I have the same problem as you, and I'm trying to
